Just look at the website and see for yourself!

Membership

The advantages of membership are:

- Access to the complete site
- Professional advice in response to email questions, on many areas of concern for your children
- Thousands of downloadable worksheets across all age groups
- Unique 'Worksheet Finder' – find just what you want, quickly and easily
- SATS papers at key stages 1 and 2
- 11+ and other school entrance papers
- Recommended reading lists for all ages
- Newsletters to update you on topics of interest
- Updated advice on new government legislation, proposals or initiatives on education
- The opportunity to explore the options to help you ensure that your child's potential is fulfilled
- Other ways to help your child at home

Testimonials

"Just to also say, the website is absolutely brilliant. It has so much on to help a child, that it's just incredible." ***O.C.***

"I just wanted say a big thank you for this wonderful website. I am currently home educating my eleven year old daughter and came across Parents in Touch and have subscribed. There is everything and more that we need here. The worksheets are really good. Thank you again." ***M.P. Suffolk***

"Many of our teachers find your website an excellent resource and refer parents to it regularly." ***G.R. (Deputy Headteacher, Cardiff)***

There is a nominal membership charge to help us maintain the professional standards, specialist expertise and experience required for the website.
